### Agenda Items:

1. Approval of Minutes of January 22, 2009.

P. Watkins motioned to accept the minutes as amended; M. Celenza seconded the motion. The minutes were approved.

2. Proposal for Revision of the ASL/English Interpreting Curriculum. D. Bower presented an overview of the revisions for the ASL program to comply with the College's General Education requirements. L. Fellag motioned to accept the revisions as presented; R. McAndrew seconded the motion. The revision was approved.

3. Proposal for Revision of the Following Certificates: Addiction Studies, Disability Studies, Human Services, and Social Gerontology. D. Bowers presented the revision to the certificates, which proposes including BHHS 101. The BHHS 101 course provides students with an introduction to the field and was developed by the program faculty. R. McAndrew motioned to accept the revisions as presented; K. Harter seconded the motion. The revision was approved.

4. Proposal for Revision of the Diagnostic Medical Imaging Curriculum. S. Rensch informed the Committee of the revisions to the DMI program and reported that numerous accrediting agencies dictate what is required for inclusion in the program. The purpose of the revision was to comply with the General Education requirements and to standardize the number of credits for clinical education across the Allied Health programs. K. Harter motioned to accept the revisions as presented; E. Freeny seconded the motion. The revisions were approved.

5. Other Business – request for additional meeting March 5, 2009. S. Thompson asked the Committee to add another meeting date on Thursday, March 5, at 3:30 PM. As soon as a meeting room is scheduled the Committee members will be informed.

The meeting was adjourned at 4:25 PM.
