Old Business

Policy - Credit by Examination – P&P # 7

Bonnie Harrington presented a proposal for a revision to P&P #7 (Credit by Examination). The following changes were discussed by the committee:

In #2 of the policy - delete first sentence and insert Current before College Catalog.

In #3 of the policy – delete last sentence.

In #6 of the policy - should read - A fee shall be assessed for each test.

Joan Bush explained that Dr. Gay wants to discuss the definition of currently enrolled with the Cabinet.

Carlos Diaz asked if an electronic link could be put in the Credit by Exam policy which would direct students to the Credit by Exam process. Joan Bush will inquire with Loretta Masciantonio about how this may be accomplished.

Todd Jones asked if the committee could find out more about the Credit by Exam and Prior Learning Assessment processes. Susan Hauck will be invited to the next meeting to discuss these items.

No motions were made – the changes to the policy will be held for a vote until the definition of currently enrolled is established.
