

Plan Summary

This chart explains what your plan covers and what your share of prescription costs will be. You can also find it on our website.

Community College of Philadelphia

Under your plan, prescriptions for long-term medications (used to treat conditions like diabetes, asthma, or high blood pressure) must be filled in 90-day supplies at select participating pharmacies in your plan's network. **If you fill these prescriptions in 30-day supplies or at any other pharmacy, your medications won't be covered and you'll have to pay the entire cost.** Prescriptions for short-term medications (like antibiotics) can be filled at any retail pharmacy in your plan's network.

	Short-Term Medications	Long-Term Medications
	Fill at any pharmacy in your plan's network; Cost for up to a 30-day supply	Fill at select participating pharmacies in your plan's network; Cost for up to a 90-day supply
Generic Medications Best option to help you save money	\$0 for one 30-day supply	\$0 for one 90-day supply
Preferred Brand-Name Medications Best option when a generic isn't available	\$30 for one 30-day supply	\$60 for one 90-day supply
Non-Preferred Brand-Name Medications Highest cost option	\$50 for one 30-day supply	\$100 for one 90-day supply
Refill Limit	One initial fill plus one refill for maintenance medications	None
Specialty Medications	30% for PrudentRx eligible medications (\$0 once enrolled) / \$160 for non-PrudentRx eligible medications	
Annual Deductible	\$50 for individual and family (\$50 deductible will apply per employee, regardless of how many dependents are enrolled in the plan)	
Maximum Out-of-Pocket	\$2,100 per individual / \$4,200 per family	

Please Note: When a generic is available, but the pharmacy dispenses the brand-name medication for any reason other than doctor or other prescriber indicates "dispense as written," you will pay the difference between the brand-name medication and the generic plus the generic copayment.

Oklahoma: Some Oklahoma residents may not be eligible to participate in the Maintenance Choice and/or Exclusive Specialty program. If you have questions about your eligibility, please contact Customer Care at the number on your member ID card. Specialty pharmacy delivery options are available where allowed by law. In-store pickup is currently not available in Oklahoma. Puerto Rico requires first-fill prescriptions to be transmitted directly to the dispensing specialty pharmacy. Products are dispensed by the applicable specialty pharmacy and certain services are only accessed by calling the pharmacy directly. Certain specialty medication may not qualify.

Products that qualify as preventive services may be available at a lower cost share or no cost share, depending upon your plan, and may change from time to time. Please check your plan benefit materials should you have any questions about your coverage. Certain drug options identified above may be subject to additional prior authorizations or other plan design restrictions. Please consult your plan for further information.
