

**DUAL ADMISSIONS
TRANSFER AGREEMENT
BETWEEN
COMMUNITY COLLEGE OF PHILADELPHIA
AND
THOMAS JEFFERSON UNIVERSITY**

Preface

Community College of Philadelphia (CCP) and Thomas Jefferson University (TJU) enter into this Dual Admissions Transfer Agreement (Agreement) to facilitate the transfer of CCP students to TJU's East Falls campus (to be noted as TJU-EF). This Agreement applies to students who enter TJU-EF's traditional (day) programs as full-time or part-time undergraduate students.

Dual Admissions

Under the Dual Admissions Transfer Agreement, CCP students will be guaranteed admission into TJU-EF with third year (junior) status on the condition that they:

1. Submit an electronic Dual Admissions Intent form before completion of no more than 45 college level credits from all colleges/universities attended;
2. Graduate from CCP with an appropriate Associate in Arts (A.A.), Associate in Science (A.S.) or Associate in Applied Science (A.A.S.) Degree with the minimum cumulative GPA listed by major in Appendix A. This GPA will be recalculated to include all college level work earned from CCP and any other college or university attended.;
3. Complete TJU-EF's admissions application the semester before the student plans to matriculate to TJU-EF (or by no later than the publish deadline) and satisfy all other regular TJU-EF admissions requirements.
4. Do not attend another institution of higher education between the time they graduate from CCP and enroll at TJU-EF;
5. Enroll at TJU-EF within one year of CCP graduation. Students may defer their start term for up to one academic year.

This Agreement encompasses only those TJU-EF undergraduate programs listed in Appendix A of this Agreement. This includes programs within the College of Architecture & the Built Environment (CABE), the College of Life Sciences (JCLS), the College of Humanities & Sciences (JCLS), Kanbar College of Design Engineering & Commerce, and limited programs within the College of Health Professions (JCHP) and the College of Rehabilitation Sciences (JCRS). Both parties may choose to include more programs to this Agreement without the need for additional signatures. Programs offered through the Continuing and Professional Studies division are exempt from this agreement and are instead addressed by a separate Program-to-Program Agreement signed in June of 2023.

Students who have previously matriculated to TJU-EF are not eligible for Dual Admissions to TJU-EF, but are encouraged to apply as a transfer or readmissions student to TJU-EF.

There is no obligation on the part of the Dual Admissions CCP student if the student decides not to transfer to TJU-EF.

Once a student has submitted the Dual Admissions Intent Form, they are strongly encouraged to meet with a TJU Admissions Representative and/or a CCP Academic Advisor, Counselor or Program Advisor to develop a course taking strategy to maximize course transferability.

CCP graduates entering TJU-EF under the terms of this Agreement for Dual Admissions go through the standard TJU-EF transfer admissions process and therefore must meet all applicable TJU-EF requirements and deadlines pertaining to application for admission, orientation and registration, and payment of tuition and fees. They will abide by the policies and procedures, and any revisions thereof that apply to all TJU-EF students.

Transfer and Academic Guidelines

1. Transfer credit will be awarded for courses with a grade of “C” or above for any and all courses submitted for transfer to TJU-EF. Students are responsible for sending TJU official transcripts from ALL attended institutions, including military transcripts for evaluation of credit. Credit may also be awarded for AP, CLEP, etc. with appropriate documentation. Developmental courses are not eligible for transfer.
2. Graduates of approved CCP A.A., A.S. and A.A.S. degrees, who have completed FNMT 118 Intermediate Algebra, which is equivalent to TJU College Algebra, or a higher level of mathematics with a “C” or better and who transfer to TJU-EF will be waived from placement tests under this Agreement.
3. Students enrolled in an undergraduate program of study at TJU-EF are required to complete a minimum of 60 credits including at minimum 12 credits in the major or area of specialization at TJU-EF.
4. A full-time student admitted with third year (junior) status to TJU-EF will be able to complete a bachelor's degree at TJU-EF within four fall/spring semesters provided the student earns the appropriate associate degree at CCP and completes the TJU-EF curriculum in the appropriate sequence. Full-time students taking a Leave of Absence or needing to withdraw or repeat courses will need more time to earn the bachelor's degree. Note, the Bachelor of Architecture is a 5-year (10 semester) program and therefore transfer students will need more time to complete this bachelor's degree as compared with other programs.
5. Under this Agreement, TJU-EF guarantees that all CCP credits from CCP programs of study listed in this Agreement will fulfill general education, elective or major requirements in the corresponding TJU-EF major that the CCP transfer student wishes to pursue.
6. Students are strongly encouraged to follow the degree requirements listed in the Transfer Guides for their particular program of study included in this Agreement. Students who do not follow these transfer guides may not maximize the transfer of credits or the necessary number of semesters to earn a bachelor's degree.
7. Students who have pursued a CCP associate degree study other than those designated in this Agreement or who do not earn the associate degree in the designated curricula and who

wish to transfer to TJU-EF are not covered by this Agreement. Such students will be considered for admissions on an individual basis and their credits will be evaluated on a course-by-course basis.

Financial and Scholarship Incentives

To encourage CCP graduates to transfer to TJU-EF, TJU agrees to the following:

1. **Application Fee:** TJU will waive the application fee for students who apply at TJU-EF pursuant to this Agreement.
2. **Academic Scholarships:** TJU agrees to award academic scholarships annually to all Dual Admissions students admitted to TJU-EF pursuant to this Agreement:

Full time (enrolled in 12 or more credits a semester) at TJU-EF (2023 -2024 academic year amounts)
3.5 – 4.0 final CCP GPA will receive \$22,000 annually
3.0 – 3.49 final CCP GPA will receive \$19,000 annually

Community College of Philadelphia Dual Admissions Scholarship:

In addition to the academic scholarships noted, CCP students applying to TJU-EF through this Agreement will receive \$2,500 per year, as long as they have submitted a dual intent form.

- All scholarships are awarded using the final minimum cumulative CCP GPA as noted in the official CCP transcript, honoring CCP’s academic amnesty and time amnesty policies.
 - This scholarship is awarded for the fall and spring semesters only.
 - Scholarships may be renewed each year contingent upon the students submitting their FAFSA and remaining in good academic standing at TJU-EF.
 - Athletic Scholarships supersede and replace any other academic, PTK or CCP designated scholarship award.
3. **Financial Aid:** All students will be provided with TJU financial aid information and receive full consideration for TJU financial aid upon matriculation at TJU-EF.
 - Financial Aid will be awarded to Dual Admissions students on the same basis as all other TJU students. They will have equal access to all state and federal financial aid programs.
 - Students are strongly encouraged to complete the Free Application for Federal Student Aid (FASFA) before May 1st each year to determine if they are eligible for a state grant.

The Agreement

To facilitate the transfer of CCP graduates to TJU-EF in accordance with the foregoing guarantee, the parties agree to the following:

Obligations of Thomas Jefferson University:

1. Participate in student outreach (e.g.: transfer fairs, campus visits, virtual open houses, etc.) at least twice each fall and spring semesters.
2. Invite CCP students to an informational meeting with TJU-EF faculty and staff on a regular basis at both CCP and TJU in order to facilitate smooth curricular and co-curricular integration to TJU-EF.
3. Agree to use the student's final cumulative CCP GPA as noted in the official CCP transcript, honoring CCP's academic amnesty and time amnesty policies, for the awarding of scholarships.
4. Send a TJU-EF conditional letter of admission to all CCP students who complete a Dual Admissions Intent form in accordance with the expectations stated in the Dual Admissions section and who meet the conditions set forth in this Agreement.

A formal offer of admission will be sent upon receipt of the Undergraduate Admissions application (the semester before the students plan to matriculate). Students must confirm their intention to matriculate at TJU-EF by submitting a deposit by June 1 for the fall semester, and by December 15 for the spring semester, and satisfy all other regular TJU-EF admissions requirements. CCP students who complete a Dual Admissions Intent form will be governed by the TJU-EF degree requirements in effect at the time of signing the Dual Admissions Intent form.

Students from the Philadelphia area who apply but are not admitted to TJU-EF will be sent a letter encouraging them to attend and earn an appropriate associate degree from CCP so as to take advantage of the benefits of this Agreement. CCP will receive a list from TJU-EF of students denied and sent this letter so that they can follow up with the students.

5. Encourage CCP transfer students to complete the appropriate associate degree before matriculation to TJU-EF in order to take advantage of this Agreement. If the CCP student chooses to transfer and matriculate to TJU-EF before completion of the associate degree, TJU will encourage reverse transfer. TJU will develop a reverse transfer credit process, which must be mutually agreed upon by both TJU and CCP that includes methodology to notify and assist students with this reverse transfer benefits.
6. Work with CCP on program-to-program curriculum Transfer Guides that specify for CCP transfer students the CCP courses that satisfy major requirements needed for both associate and bachelor's degree completion. To facilitate this, CCP and TJU-EF agree to finalize program-to-program transfer guides for the Top 10 academic programs by no later than 3 months from the signing of this Agreement.
7. On-campus housing opportunities are incredibly limited. Information about off-campus housing opportunities will be provided, as will resources about the limited on-campus housing and the application/lottery process.

4. Invite enrolled CCP students to participate in this Agreement through the submission of an electronic Dual Admissions Intent Form before completion of the credit limits.
5. Send TJU a username and password to access the report of students who have completed the electronic Dual Admissions Intent Form for TJU.
