a. Student Appeals Process

An administration and Federation committee will be formed to look at the Student Appeals process further. The recommendations from this group will come to our group, the Student Affairs Standing Committee. Members of our group can serve on this committee. Member of the group questioned whether questions over the process was the purview of this group, rather than a special committee. The new committee will discuss defining and clarifying terms in the process that has been questioned/caused confusion. Once sources of confusion are identified by the new committee, suggested changes will come to the Student Affairs committee, where we will review and discuss the proposed changes.
